

2024
SRCMUJ
2nd Semester Examination
Integrated MLIS
Library and Information Science
LIS-208
Library Automation and Networking (Practical)

Full Marks: 40

Time: 2.30 Hours

The figures in the margin indicate full marks. Candidates are required to give their answers in their own words as far as practicable.

- A. Write the HTML code for the following requirements: 10
- i. Create a webpage with a title "My University Webpage".
 - ii. Add a header with suitable background color and the text "Welcome to My University Webpage"
 - iii. Include a paragraph with suitable background color and the text "Sadhu Ram Chand Murmu University, also known as Jhargram University, is a public state university in Jhargram, West Bengal. The university was established in 2017 as Jhargram University under The Jhargram University Act, 2017. In 2021, it was renamed as Sadhu Ram Chand Murmu University."
 - iv. Insert an image with img src link "**rollxx.jpg**" and an alt text "My University Image" (image, **rollxx.jpg** is available in your folder)
 - v. Create a hyperlink to "<https://www.srcmujhargram.ac.in/>" with the text "Visit SRCMUJ Website"

Save the file as **ROLLXX.html**

Direction: (1) Write the code for the task in the answer script. (2) Include a relevant screenshot for the task labeled as (A).

- B. Common task: 2+4+4
1. Create a new library with your roll number using the ILMS Koha system. Name the library using your roll number in the format: '**Library_ROLLXX**' (where '**XX**' represents your roll number).
 2. Create a new patron in the **Student** category with your full name. Assign a card number to this patron using the format: '**ROLLXX**' (where '**XX**' represents a placeholder for the roll number). Set privileges for the newly created patron to that of a super librarian.
 3. Add two users to the library you created, making sure to include the minimum required information for each user in the **User** category. For each user, use the card number format: '**ROLLXX01**' and '**ROLLXX02**' (where '**XX**' represents your roll number). Set the privileges for the users as follows:
 - User with card number '**ROLLXX01**' : Set privileges for Cataloguing.
 - User with card number '**ROLLXX02**' : Set privileges for Circulation.

Direction: (1) Provide comments for each task in the answer script. (2) Include relevant screenshots for each task, labeled as (B1), (B2), and (B3).

C. Acquisition task:

5 x3

1. Create a new vendor **using** your first name and roll number in the format: **'FirstName_ROLLXX'** (where **'XX'** represents your roll number). Include the following information for the vendor:
Discount: 25% & **Delivery Period:** 60 days.
2. Create a Purchase Order **(PO) basket** under the vendor you created, with the Basket Number formatted as **'ROLLXX/01'** (where **'XX'** represents your roll number). Add the following book to the basket with a minimum of 2 copies.

Anxiety in sports: an international perspective / Dieter Hackfort & Charles D. Spielberger.
(2nd ed.)
New York: Hemisphere Pub., c1989
xviii, 275 p. : ill. ; 24 cm.
796.01 HAC/A
ISBN: 0891167544
Price: Rs. 750.00

3. Receive the Purchase Order **(PO)** you created. Add the book to your library with two copies. Use the barcode number format: **'ROLLXX001'** and **'ROLLXX002'** (where **'XX'** represents your roll number).

Direction: (1) Provide comments for each task in the answer script. (2) Include relevant screenshots for each task, labeled as (C1), (C2), and (C3).

D. Cataloguing task :

5

1. Add one book with two copies **to** your library using the Z39.50 server. Use the barcode number format: **'ROLLXX003'** and **'ROLLXX004'** (where **'XX'** represents your roll number).

Direction: (1) Give comment against the task in answer script. (2) Add relevant snapshot against the task (D1)
